**Re: Arkwood Superfund Site – Request for Further Response to October 10,
2013, McKesson FOIA Request**

Ms. Ortiz:

We have reviewed the documents produced by Region 6 in response to McKesson's October 10, 2013, FOIA request and find that additional responsive documents need to be produced. Specifically, we request that the following additional categories of documents be produced:

1. The following emails were produced which reflect they had attachments to them that were not also produced:
 - Document 9463005, an email from C. Grisham to the EPA Inspector General, lists multiple attachments sent by C. Grisham that were not produced;
 - Document 9463002, an email from C. Grisham to EPA Region 6, lists multiple attachments sent by C. Grisham in advance of the 9/5/13 meeting with EPA that were not produced;
 - Document 9463026, an email from C. Grisham to EPA Region 6, lists multiple attachments that were not produced;
 - Document 9469866, an email from C. Grisham to EPA Region 6, references an attached version 2 of a master list of issues to discuss at the 9/5/13 meeting with EPA, which was not produced.
 - Document 94639872, an email from C. Grisham to EPA Region 6, lists multiple attachments that were not produced;
 - Document 9469887, an email from C. Grisham to EPA Region 6, lists multiple attachments that were not produced;
 -
2. Documents are referenced in the following produced documents that have not been produced:

- Document 9463002 (and others) refers to EPA Region 6's preparation of a "**collaborative responsiveness summary**" to be sent to C. Grisham regarding the 9/5/13 meeting with C. Grisham; we have not received a copy of that document, if it has been prepared.
- Document 9463003, an email from C. Grisham to EPA Region 6, refers to a "**DVD Appendix**" of documents that C. Grisham sent to EPA Region 6 shortly in advance of his 9/5/13 meeting with Region 6; we did not receive a copy of that DVD or the documents on it.

We look forward to receipt of these documents. Thank you.

Very truly yours,

Don A. Smith
